

**ADDENDUM DATED FEBRUARY 29, 2008 TO THE OFFER DOCUMENT OF KOTAK FLEXI  
FUND OF FUNDS - SERIES II**

The following changes have been effected in the Kotak Flexi Fund of Funds - Series II ("the Scheme") with effect from March 1, 2008:

Chapter IV (Page 23)

Under part 'A' of the aforesaid chapter, point 4, "Investment Strategy" shall be replaced as under:

**4. Investment Strategy**

The Scheme will invest predominantly in open-ended diversified equity schemes and / or liquid / short term / floating rate schemes / plans of Mutual Funds, which are registered with SEBI. The scheme will allocate investments dynamically between equity schemes and liquid / short term / floating rate schemes / plans.

**Equity Allocation:**

The Fund Manager will normally invest not more than 25% of scheme's equity allocation in a maximum of two equity scheme(s) of KMMF subject to SEBI regulations.

**Liquid / Short Term / Floating Rate Plans or Schemes:**

The scheme may invest the entire non-equity allocation in liquid / short term / floating rate plans / schemes of KMMF.

A combination of quantitative filters and qualitative judgment will be used in fund selection.

Quantitative analysis: Past performance of funds will be evaluated based on parameters like consistency in generating better risk and style adjusted returns, fund volatility, etc. The funds will be ranked based on combination of above listed parameters and best performing funds will be further subjected to qualitative judgment process described below.

Qualitative judgment: The Fund-Of-Funds manager, if considered necessary, may interact with the fund-management teams of prospective/current underlying funds to assess them on parameters like consistency and merits-demerits of their investment style (cap, sector, growth/value bias), research depth, clarity in decision making process and transparency in disclosures.

Hence, only the funds which pass through both quantitative and qualitative filters described above shall be included as underlying funds in the Kotak Dynamic Fund of Funds.

Pending deployment of the funds of the Scheme in terms of the investment objective, the Fund can invest the funds of the Scheme in short term deposits of scheduled commercial banks as per the guidelines given in SEBI Circular nos. SEBI/IMD/CIR No. 1/91171/07 dated April 16 2007 and SEBI circular no SEBI/IMD/CIR No. 8 / 107311 /07 dated October 26, 2007.
