Kotak FMP Series 73 (A close ended debt scheme with maturity of 18 months) **Investment Objective:**

To generate returns through investments in debt and money market instruments with a view to significantly reduce the interest rate risk. The Scheme will invest in debt and money market securities, maturing on or before maturity of the scheme. **Asset Allocation:** Debt securities – 80-100%; Money Market instruments – 0-20%; Government securities – 0-20%. Investment in Derivatives will be up to 50% of the net assets of the Scheme. The total gross exposure investment in debt + money market instruments + derivatives (fixed income) shall not exceed 100% of net assets of the Scheme. **Load Structure:** Exit Load: Nil **Liquidity:** Units of this scheme will be listed on Bombay Stock Exchange. Investors may sell their units in the stock exchange(s) on which these units are listed on all the trading days of the stock exchange. The units cannot be redeemed with KMMF until the maturity of the scheme. NAV of the scheme shall be calculated daily. **Scheme Specific Risk Factors:** The Scheme will invest entirely in Debt/ Money Market Instruments and Government securities. Liquidity in these investments may be affected by trading volumes, settlement periods and transfer procedures. These factors may also affect the Scheme's ability to make intended purchases/sales, cause potential losses to the Scheme and result in the Scheme missing certain investment opportunities. **BSE Disclaimer:** It is to be distinctly understood that the permission given by BSE should not in any way be deemed or construed that the Scheme Information Document has been cleared or approved by BSE nor does it certify the correctness or completeness of any of the contents of the Draft Scheme Information Document. The investors are advised to refer to the Scheme Information Document for the full text of the Disclaimer Clause of Bombay Stock Exchange Limited. **Risk Factors: Mutual Fund and securities investments are subject to market risks and there is no assurance or guarantee that the objective of the Scheme would be achieved. As with any securities investment, the NAV of the Units issued under the Scheme can go up and down depending on the factors and forces affecting the securities markets.** Past performance of the Sponsor/AMC/Fund or that of existing schemes of the Fund does not indicate the future performance of the Scheme. **Kotak FMP Series 73 is only the name of the scheme and does not in any manner indicate either the quality of the scheme, its future prospects and returns.
